- On 1 December the government-controlled Shanghai Stone-Crushing Company at 200 Kiukiang Road, Shanghai, hired about 1,000 laborers to excavate at the base of two mountains north of Sungchiang (121-15, 31-01). Approximately 10 tons of explosives are to be used during the month on the project. The company has 24 stone-crushers each capable of crushing 50 tons of stone per day.
- In mid-December all cement produced by government and private cement factories in Shanghai was being commandeered by Communist authorities.
